

## OVER UNDER BASKET

Origin: **Written by Pika (Tiffany) Cheezum** while weaving together a black ash basket with Primitive Pursuits Wilderness Year program in 2017.

*I will learn your song if you'll teach me the rhyme  
And we'll both sing out together, together we will twine*

(Call and response) *Over and under basket, over and under basket  
Ever a stronger basket, we'll weave it round and through*

*I will tend the fire if you collect the pine  
And we'll warm this home together, together we will twine*

(Call and response) *Over and under basket, over and under basket  
Ever a stronger basket, we'll weave it round and through*

*I will hold your hand and if you put your hand in mine  
And we will stand strong together, together we will twine*

(Call and response) *Over and under basket, over and under basket  
Ever a stronger basket, we'll weave it round and through*

*I will catch your story, my love I will make time  
And we'll weave our tales together, together we will twine*

(Call and response) *Over and under basket, over and under basket  
Ever a stronger basket, we'll weave it round and through*
