

# FREEDOM SONG

Origin: By "Banjo Joe" Crookston on the 2004 album "Fall Down as the Rain."

*I can feel my heart beat  
Beatin' to the rhythm of a freedom song  
When I say yes to the beat in me, I can set my spirit free  
Optional 2nd time through: When I say yes to the beat in you,  
I can see your light shine through*
