

ROBIN SONG

Origin: Written by Shep, Primitive Pursuits instructor and Wilderness Year participant 2017

Chorus:

*I'm a little robin, skipping 'cross the lawn
Picking up worms and singin' my song
Cheer-up Cheerily, Cheerily Cheer-up
I'm a little robin skipping 'cross the lawn*

Verse 1

*If I don't get a worm, I don't care
Spread my wings and I'll take to the air
One less burden I have to carry
I can still fly, I can still be merry*

(Chorus)

Verse 2

*Protecting my robins, sons and daughters
And all them robin, robin nest robbers
When they hatch, they'll fly from the tree
And come to my side to sing with me*

(Chorus)

Verse 3

*Gotta watch out for the fox on the ground
Hawks in the air, making their rounds
If I don't see them coming, my friends will let me know
Listen for the sounds of the song sparrow*

(Repeat chorus two more times)
