

# I AM A TUMBLING STONE

Origin: Written by Emily Mabry, in connection with Wilderness Awareness School

*My blood is of the river  
My blood is of the stream  
Flow, flow the river  
Flow, into the sea*

*I am a tumbling stone  
I am a tumbling stone  
Oh, my body is of earth, of earth and bone*

**PRIMITIVE  
PURSUITS**
